

Rawhide: cowboy hat

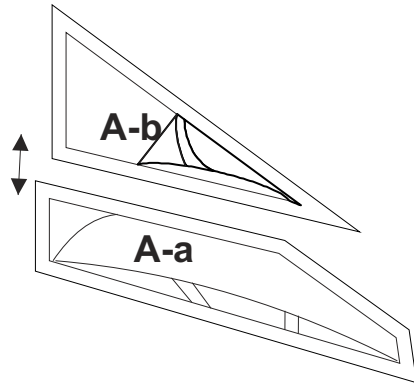

© 2001 by Sue Wilkins
Finished Block Size: 8" x 8"

Fabric Side View

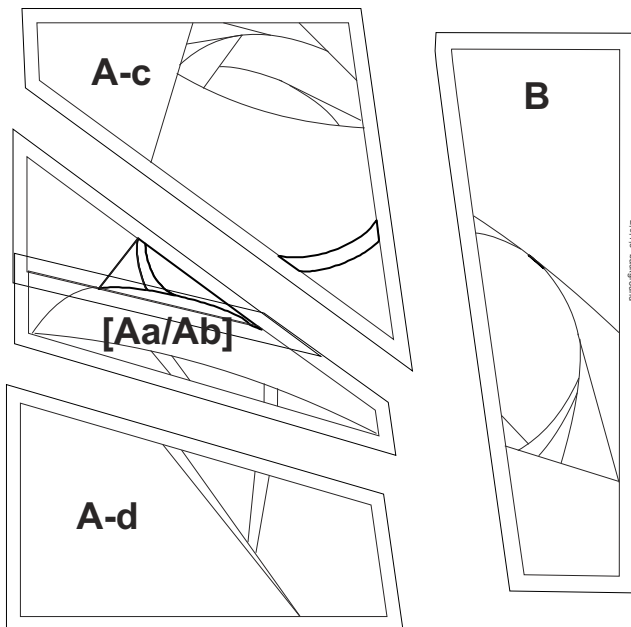

Block Construction

1. Sew all individual Units.
2. Join A-a to A-b

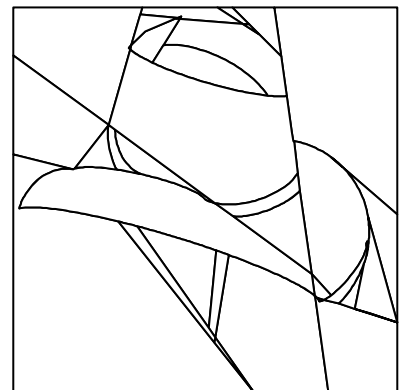

Block Assembly

Join A-c to [A-a/Ab], Add A-d
Join B to completed A unit.

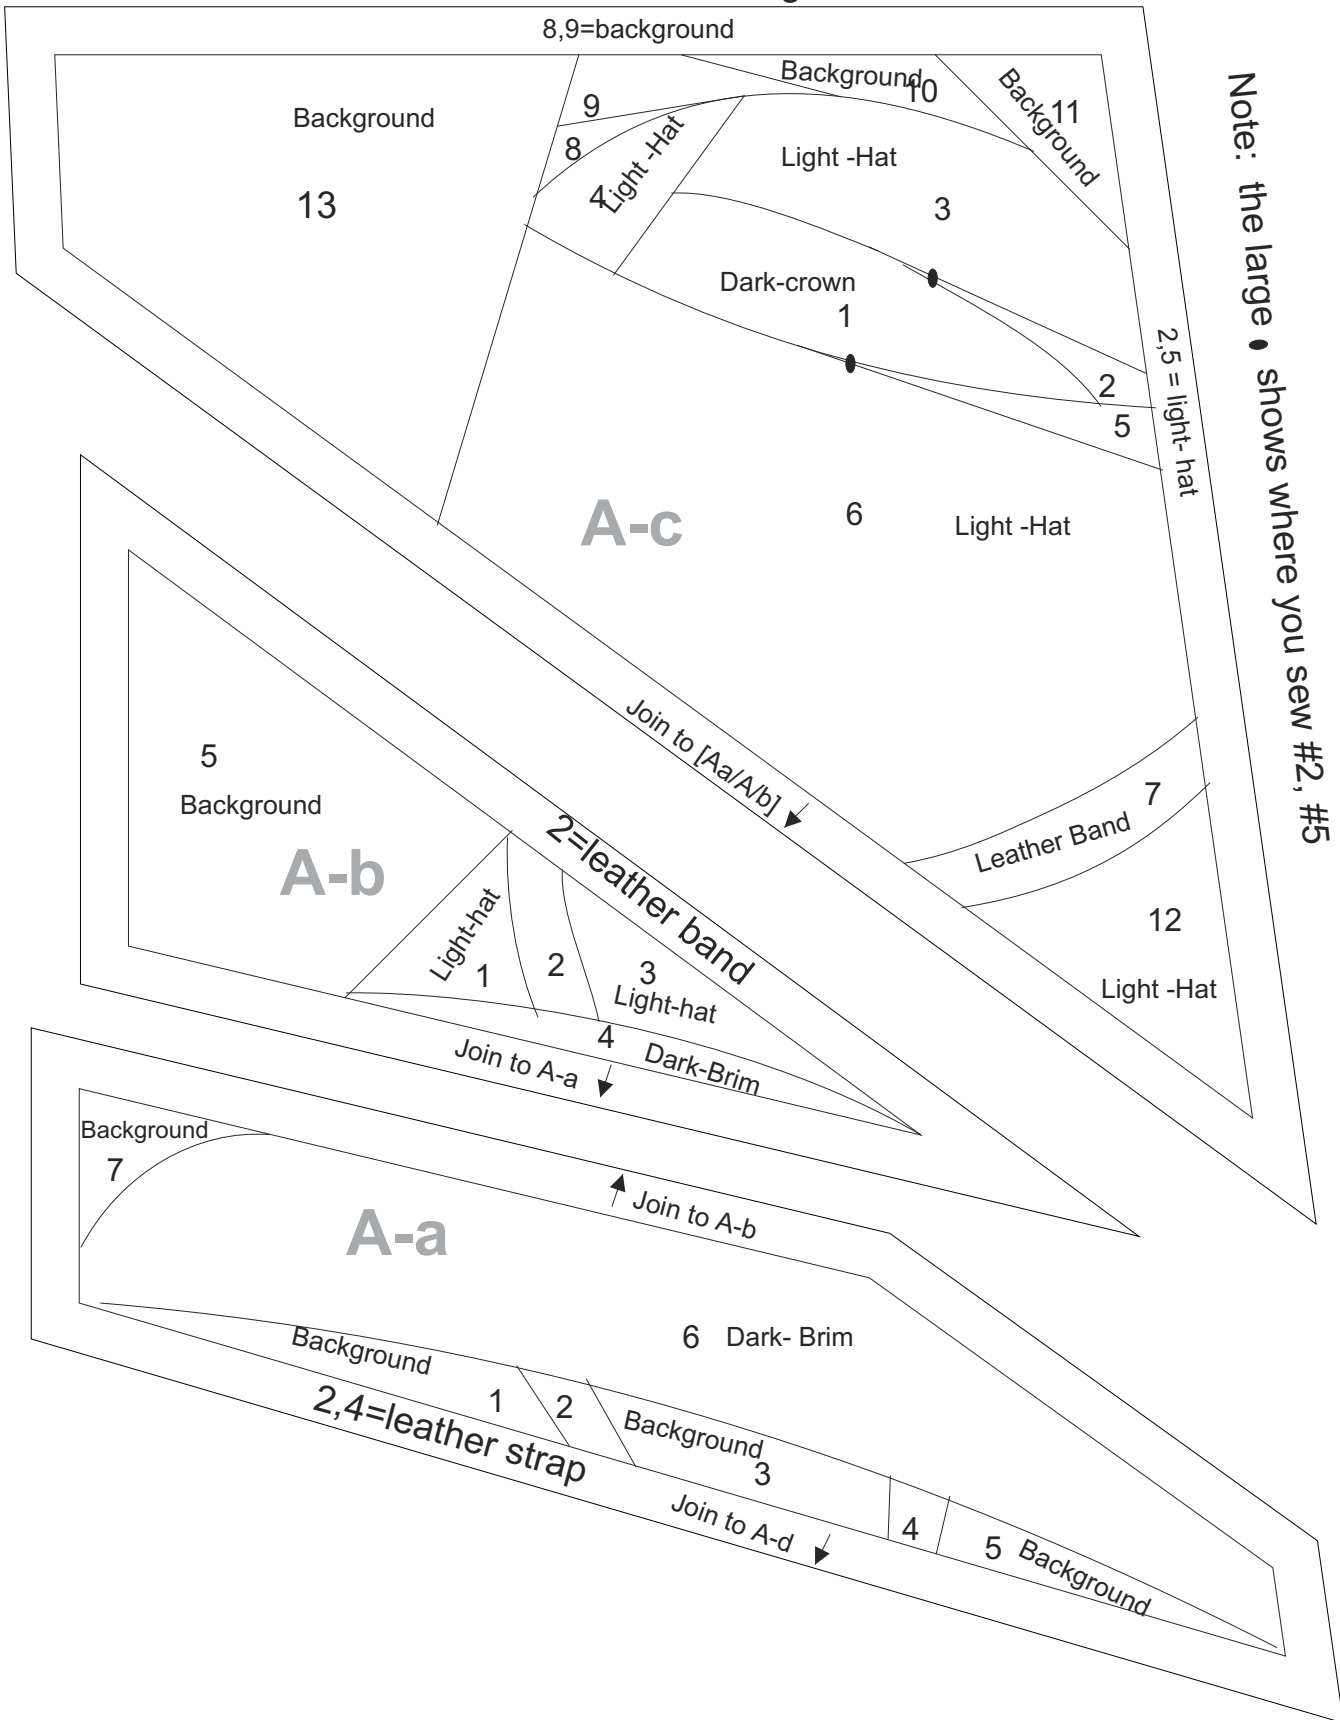

Please note: I've tweaked some lines from my original drawing to either make sewing easier, or add a bit more dimension so your paper side view is going to look a tad different from the one below

Please respect copyright laws.

I hereby give my permission as author, for you to make unlimited copies of the pattern pieces for your own personal use. This permission does not extend to allowing others to copy from it for their use.

Please refer them to Quilt Seeds Designs at www.quiltseeds.com to obtain their own personal pattern file.

If you have a special group project in mind then please contact me for permission for using it as such.

If you wish to sell finished products using this pattern as the design concept, then please do contact me for permission. Thank you,
